On 01/13/17, at 0142 hours, I observed several males engaged in a physical fight at the intersection of College Street and Church Street. Myself and Ofc. Hodges ran to that location and I separated the males. I ordered one male (Garrett Finn) against the wall and placed my hands on his right arm. He tensed up and old not follow my orders. I then executed a modified arm bar takedown. Ofc. Hodges assisted me at this time in bringing Finn to the ground. Ofc. Hodges placed him in handcuffs and double locked them. Finn continued to tense up and I told him to stop resisting. I patted Finn down for weapons and escorted him to my vehicle.	and Ofc. d up and placed my
I patted Finn down a second time and placed him in my cruiser. I asked Finn multiple times if he wanted to be assessed by medical staff and he advised he did not want to be evaluated. I transported him to ACT 1 where he was refused. Prior to taking him to jail, I brought him to the hospital to be assessed. He was given 3 stitches and discharged. I transported him to the Chittenden Regional Correctional Facility where he was accepted. I issued him a YSASP due to his age. am not sure if Finn was injured during the fight or when he was brought to the ground. EOR.	idvised He was his age. I
